### Product Description:

Made from high-quality Polyethylene (PE), this Disposable Plastic Gown is both durable and comfortable to wear. The gown is designed with long sleeves that provide full coverage, ensuring complete protection for the wearer. Additionally, the elastic cuffs ensure a secure fit, preventing any fluids or contaminants from entering the gown.

The green color of this Disposable Medical Clothing is not only stylish but also helps to distinguish it from other gowns and clothing in the medical facility. This makes it easy to identify and ensures that it is used for its intended purpose only.

This Disposable PE Surgical Gown is a one-time use gown, making it convenient and cost-effective. After use, simply dispose of the gown properly to maintain a hygienic environment. This is particularly important in medical settings where maintaining cleanliness and sanitation is of utmost importance.

In conclusion, our Disposable PE Surgical Gown is an essential item for any medical facility. It provides complete protection against fluids and contaminants, is comfortable to wear, and is cost-effective. It is a Disposable Medical Protective Gown that is made of durable and high-quality Polyethylene (PE) and comes with elastic cuffs and long sleeves. The green color of the gown makes it easily identifiable and helps to maintain a hygienic environment. Get your Disposable Plastic Gown today and ensure complete protection for your healthcare professionals.
